Dear Austin,

RE: Your Instructions

Thank you for instructing Tide Immigration to act for you. We are registered by the Office of the Immigration Services Commissioner (OISC) and are authorized to provide immigration advice and services. Our registration number is F202640103.

Further to our discussion you instructed me to act for you in connection with your application under Global Talent Visa route. We discussed and I confirmed that, based on the information you gave me, my advice is that you can proceed with the application and your instructions are to proceed with this application.

We discussed that bar of such applications are very high despite your extensive experience and background work it would be challenging application. Your instructions are to proceed with the application, and we agreed to prepare and submit your application to the relevant endorsing bodies and to the Home Office on your behalf. You have provided all the documents in form of links to web portals that contain information about your previous work, awards and experience to have gained and a CV listing your personal profile and previous experience details. We will cover your ideas and intellectual property under a separate non-disclosure document.

The UK Global Talent visa application process generally involves two stages, depending on the applicant's eligibility and the applicable route.

Stage 1: Endorsement Application

The first stage is to obtain an endorsement from the relevant endorsing body, unless you qualify to apply under an eligible alternative route, such as being the recipient of an eligible prestigious prize.

We will assist you in preparing and submitting your endorsement application, based on your professional background, achievements, experience, contributions to your field, and the supporting documents and information provided by you.

The endorsing body will assess your application against the relevant criteria for your field of expertise, which may include evidence of exceptional talent or exceptional promise, professional recognition, significant contributions, and other applicable requirements.

We will provide reasonable assistance and guidance throughout the endorsement application process, including assistance with the preparation and organisation of supporting evidence. However, the decision to grant or refuse an endorsement rests solely with the relevant endorsing body.

Stage 2: Global Talent Visa Application

Once an endorsement has been granted, the next stage is to apply for the UK Global Talent visa through the UK Home Office, subject to meeting the applicable immigration requirements.

We will assist you in preparing and submitting your visa application, including reviewing the relevant supporting documents and information provided by you, where this stage is included in the agreed scope of our services.

The Home Office will assess your visa application in accordance with the applicable Immigration Rules and requirements, including any relevant suitability requirements. An endorsement does not automatically entitle you to a visa, and the Home Office retains sole responsibility for the final immigration decision.

Responsibility and Limitation of Liability

You acknowledge that the decision to grant or refuse an endorsement rests entirely with the relevant endorsing body, where an endorsement is required. Although we will use reasonable efforts to assist you in preparing a suitable application, we cannot guarantee that an endorsement will be granted.

You remain responsible for ensuring that all information and documents you provide are accurate, complete, genuine, and up to date. You must disclose all relevant information and promptly inform us of any material changes to your circumstances that may affect your application.

We accept no responsibility for an endorsing body's decision to grant or refuse an endorsement or for the Home Office's decision to grant or refuse a visa, subject to any liability that cannot lawfully be excluded or limited.

An endorsement does not guarantee that the Home Office will grant a visa. The final decision on the visa application rests solely with the Home Office, which will assess your application against the applicable immigration requirements.
Our role is limited to providing the assistance and services expressly agreed with you. The ultimate responsibility for the application decision remains with the relevant endorsing body or the Home Office, as applicable.

Our Professional Fee:

- As discussed, we have agreed with a fixed fee of £1700 plus VAT (if applicable) for our Professional fee for the Global Talent Visa route explained in this letter. Please note that any services not mentioned in this letter will not be covered under above mentioned fees. Please note that any home office fees or any other third-party fees are also not covered by us under above mentioned fee and will be payable by the client directly to the relevant body / home office.

How we work
One of the main purposes of this letter is to explain how we operate. I, Kamran Shabir, am responsible for the conduct of your case. I can be contacted directly on my email address Kamran.shabir@tideimmigration.com. Whenever possible, I shall also be available to advise and assist you. I shall keep you informed of the progress of your case and any developments as and when they arise.
I shall do my best to respond promptly to letters or calls made to our office about your case, but ask you to understand that at busy times an immediate reply is not always possible. If you need to see a member of staff, you should telephone first for an appointment as otherwise you may not be seen when you attend our office.
We shall, of course, take great care with any original documents such as passports, which you give to us for sending to the immigration authorities. These shall be returned to you immediately once they are returned to us.
If you are on a low income or receiving welfare benefits, you may qualify for Legal Aid to assist you with your case, although this shall depend on the matter you are pursuing. Please note that my organization does not represent clients under that scheme.

Office Opening times

Please note that our office is open from 9am to 5pm during weekdays.

The purpose of PII is to cover any compensation you may need to pay to correct a mistake or to cover any legal costs due to negligence, misrepresentation and/or inaccurate advice which may cause, or contribute to, financial or other loss to the client.

Complaints procedure

If at any stage you have concerns regarding the conduct of your case, please raise them with me in the first instance, preferably in writing. Please let me know if you would like full details of our complaints procedure. If we are unable to resolve matters to your satisfaction or if you wish to pursue your complaint through other channels, you are entitled to contact the OISC at any time. Their address is info@oisc.gov.uk.
